

Call Before You Fall®

For advice and resources to help prevent falls

303-922-5555

What will happen when you call?

1. A specialist will ask you about your:
 - History of falls
 - Medications
 - Vision
 - Demographics
2. We will match you with professionals to help you avoid falls
3. We will send you a list of professionals for you to contact
 - The phone call is free, but some of the agencies we refer you to may have fees
 - The phone call will not be recorded
 - Your information will be kept confidential and will not be added to any lists

Call and talk to someone today!

303-922-5555
M-F 9 a.m. to 5 p.m.
